Re: Artel Chemical Site

Dear Mr. Collins:

This will confirm your conversation with John Hallett of May 15, 1989 in which you agreed to grant Shell a 30 day extension in which to respond to the United States E.P.A.'s request for information on this waste site. Therefore, our response is due on or before June 24, 1989.

Very truly yours,

Steven J. Killworth
